Tips For Timeshare Owners

Resort Fee Updates For Our Owners

The 2023 owner rate will be \$4.75 per bedroom per night **effective on all new reservations**. This is a substantial savings from the RCI rate of \$7.75 per bedroom per night. These rates will be applied on all new reservations and we will honor all quoted rates for existing reservations.

Wi-Fi Upgrades

We have improved our guest Wi-Fi connectivity with internet upgrades at no additional charge! The new Massanutten Condo Wi-Fi will be free to all guests and deliver **download speeds of 40mbps and upload speeds of 10mbps**.

Your Massanutten Owners Association strives to find ways to keep costs down and endeavors to maintain high levels of quality service. With inflation at a 40-year high, and costs increasing, the usage-based resort fee is just one example of our efforts to keep cost down. While rentals and hotel travel expenses are on the rise, vacation ownership costs are increasing but to a lesser extent.
