

## (HOW TO START AN ONGOING SEARCH)

### TIPS & TRICKS:

- Start an Ongoing Search anytime you can't find the 7-night stay that you're looking for.
- You get prioritized access to member-deposited inventory, giving you a better chance of finding the vacation you want.
- Your prepaid Exchange Fee will pay for your reservation when you book but it's fully refunded if you don't book anything.

### HOW TO SEARCH:

- 1 Login to your account at **RCI.com**.
- 2 Search for a vacation using the search bar. A screenshot of the RCI search bar. It features the RCI logo on the left, the placeholder text "Search for your next vacation" in the center, and a yellow search button with a magnifying glass icon on the right.
- 3 Select "Did Not Find Your Vacation" at the bottom of the page. A blue target icon with a white center, indicating a specific point of interest on a page.
- 4 Fill out the form with your desired travel plans and pay the Exchange Fee.
- 5 Let RCI do the rest. We'll notify you once a match is found and you can confirm the Exchange or release it to search for another option.
