## My Massanutten Minute

OCTOBER EDITION

### New At The Nutt

---

**Grab your hiking boots and fall in love.**

Most of us have a pair of worn boots. They have soul and not just the kind that denotes high performance materials that have settled into a comfortable replica of your foot. Those worn edges are often jam-packed with fond memories of [outdoor adventures](#).

In the fall, **when the air is crisp and the autumn leaves turn**, something about the season makes us feel vibrant and ready to take on the next adventure. **Massanutten is the place to put on those favorite hiking boots** or [shop for a new pair](#), and rediscover (love) your very own [mountain playground](#).

We invite you to enjoy fall favorites like [chairlift rides](#), [hiking trails](#), and attending the [Fall Festival](#) but this season to try something new! Branch out and check out the [MASS Fall Savings combos](#) – learn to play the harmonica, or take a Ukulele class, feel the rush of summer tubing, run with the bulls in a virtual reality adventure, or **participate bike park pathways program**. These are just a few of the many options to make it a combo and enjoy more for less at just one price!

### Tips For Timeshare Owners
