MARCH EDITION

March into a new season!

How do owners enjoy the seasonal shift at Massanutten? Some owners crave warm weather energy. It may be cold outside, but it is always summertime inside the **Massanutten WaterPark**. We've got something for the entire family with tasty bites at the award-winning **Splash's Bar & Grill**, tons of fun at the expanded **Diamond Jim's Arcade**, and gear from the **MerchanDice Surf Shop**. Dive into all of our WaterPark features, shopping and dining options [here](#).

Be sure to visit the [Owners Website](#) and secure your WaterPark tickets in advance as they may sell out. Visit the [website](#) for hours and pricing.

March 15th is the Collection Deadline! For Weeks 1-26 and all floating ownerships billed mid-November, the maintenance fees were due January 1, 2025. Your payment must be made prior to the collection deadline or you must make arrangement with your owners association to avoid being turned over to collections, where you will incur additional charges. If you call the association, you can set-up a payment plan to avoid collection charges.

You can make your payment online at the [Owners Website](#) or contact the Owners Association at 540.289.4904 option 1.

Reservation Reminder – After your maintenance fees are paid - If you haven't done so already, book your reservation online at owners.massresort.com or email reservations@massresort.com. To reach out by phone, call 540.289.4904 option 2 no less than 30 days in advance of your week if you wish to use your week.

Is your ownership floating weeks? Reservations for our floating weeks owners at **Summit and Eagle Trace** are done on first-come, first-served space available basis. This means once your maintenance fees are paid, make the reservation online, log into the [Owners Website](#) to reserve or request by email at reservations@massresort.com or call Reservations at 540.289.4904, option 2.

Your ownership states that you purchased the right to request a week's vacation on a space-available basis. During the first 5 months of the year we have a lot of units go unrequested. To avoid this situation always call as early as possible - **the earlier the better!**
