Food & Fun at Massanutten!

Nothing builds an appetite like an active Massanutten vacation, and our [dining options](#) have got you covered. From BBQ and salads, to burgers and pizza, to pub fare and to-go meals, we offer something for **every taste, every season, and every occasion.**

Summer is especially flavorful and interactive with dining events like the [Wine Lovers Dinner](#), an amazing four course meal paired with four different wines from a **featured Virginia vineyard**. Don't forget about the [Escape Dinner](#), where mystery and dining are intertwined to bring you a uniquely curated four course meal set in a 1920's prohibition era adventure. **Can you crack the case?**

For those that are interested in honing their culinary skills, attend one of several cooking classes. In the [Cooking Demonstration](#) class, watch as one of our instructors prepares a **three-course gourmet meal**, then partake in each course. There is also the new [Smoking Class](#) where you can learn hands on the basics of smoking meat with one of our **local pit bosses at VA BBQ & Pizza Co.** This class provides opportunity for tasting as well. YUM!

There are many opportunities to expand your palette with [Wine Down Wednesday](#), re-visit

your favorites at [Grilling on the Deck](#), or create memories by purchasing from the local harvest at the new [Massanutten Farmers Market](#).
